PRESS RELEASE:
FOR IMMEDIATE RELEASE:

STC Six Beer Collaboration Raises Over \$4,000 for Lazarus House

St. Charles, IL – On June 14th, the second-annual STC Six Beer Collaboration was released. The STC Six Collaboration consists of the six St. Charles Breweries: 93 Octane Brewery, Alter Brewing + Kitchen, Broken Brix Fermentation Emporium, D&G Brewing, Pollyanna Brewing & Distilling, and Riverlands Brewing.

Not only was the Summer Pale Ale that they created fantastic, but it was also brewed for a great cause, too. A portion of the sales from this year's STC Six Collaboration Beer, limited-edition glassware, and limited-edition bars of soap made by Magnolia Soap & Bath Co. that contained the beer went to benefit Lazarus House. This collaboration raised over \$4,000.

Lazarus House is a non-profit organization located in St. Charles that helps individuals who are connected to Batavia, Geneva, St. Charles, and western rural Kane County who are in need find the shelter, food, and other support services they need in order to get back on their feet – open 24 hours a day, every day of the year.

Lazarus House Executive Director, Julie Purcell, talks about the impact the STC Six has had on their organization. "Lazarus House is truly grateful for the wonderful opportunity of benefitting from the STC Six Collaboration," said Purcell. "The breweries involved care for their community and are showing it in a big way. We received over \$4,000 which will provide 35 days of safe shelter, food and case management for a man, women, or child from our community. What an amazing blessing! Thank you to all involved."
